DID YOU KNOW THAT...

Tyler and Mike joined the club in in late 2015 and attended their first meeting in January 2016. They were aware of the club since they had attended the car show in 2008. Their friend Emmitt McCabe was the one that suggested they should join and we all know when Emmitt sets his mind to something he gets it done. They caught the car fever and purchased their first classic the 1950 Plymouth Business Coupe in June of 2009 and shortly later the got the 11941 Plymouth PT-125 Pickup in 2010.
